We do our best to meet potential volunteers face to face. This will take place in Dublin, Cork, Galway, Limerick and Belfast in early October.

Please note that all new volunteers are required to attend a face to face induction session where they can learn more about our work. Volunteers also attend one or two additional training sessions per year, depending on the activities they are involved in. Volunteering with Trócaire is very flexible and the amount of time you give to volunteering is entirely up to you. Volunteer inductions will take place in late October/early November.
