

SCHOOLS FUNDRAISING

We are very lucky to have so many amazing students all over Ireland who fundraise for Trócaire. We cannot thank you enough for all your hard work and your kind and generous donations.

How you fundraise is up to you. We have some ideas to get you started like **'Get Moving for Trócaire'** or **'Hero Day'** but if you have a different idea we're all for it! Non-uniform days, sports days, film screenings and talent shows are some of the great ways schools have been getting their students involved!

We love to hear your ideas so please email schools@trocaire.org and we will support you and your students to reach your fundraising goals!

ONLINE SPONSORSHIP

Choosing to use **Just Giving**, **Go Fund Me** or a **Facebook Fundraiser** makes it super easy for friends and family to sponsor you. Online fundraising is great for keeping track of your fundraising goals, promoting online and means you can reach out to far more people.

THANK YOU!

We cannot thank you enough for your kind and generous donations, it means the world to us.
