THANK YOU FOR HAVING YOUR SAY!

A FINAL WORD: THANK YOU FOR HAVING YOUR SAY!

Thank you to everyone who chose to take part in our first-ever Supporter Survey. We asked you about everything from sustainable livelihoods like the perma-gardens helping people in Uganda’s refugee camps, to the sources you like to give. You responded with a care and attention and a generosity of spirit for which we are extremely thankful – you will help to shape the future of Trócaire. Many of you also chose to give which is such an added blessing right now!

If you’ve not yet posted back your 2020 Trócaire Supporter Survey, you are still welcome to do so. And if you haven’t received a survey but you’d like to, please call Trócaire Stormont on 0345 406 406 or Belfast 0800 912 200. Or email to donorservices@trocaire.org. We’ll be delighted to post one out to you!
