Trocaire
TOGETHER FOR A JUST WORLD

7 AFFORDABLE AND CLEAN ENERGY

Summary of Targets

- Develop more renewable energy sources and encourage energy efficiency
- Provide infrastructure and technology so that everyone can access reliable energy at an affordable price

8 DECENT WORK AND
ECONOMIC GROWTH

The SACCO cooperative in Sara Galgalo village in Dire woreda, southern Ethiopia, assemble for a weekly meeting. Totalling 90 women, the cooperative offers income generation activities and the opportunity to take a financial loan out if needed. These Trócaire-funded activities have given the women and their families new possibilities for their futures.

Trócaire
TOGETHER FOR A JUST WORLD

9

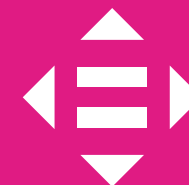

INDUSTRY, INNOVATION AND INFRASTRUCTURE

Summary of Targets

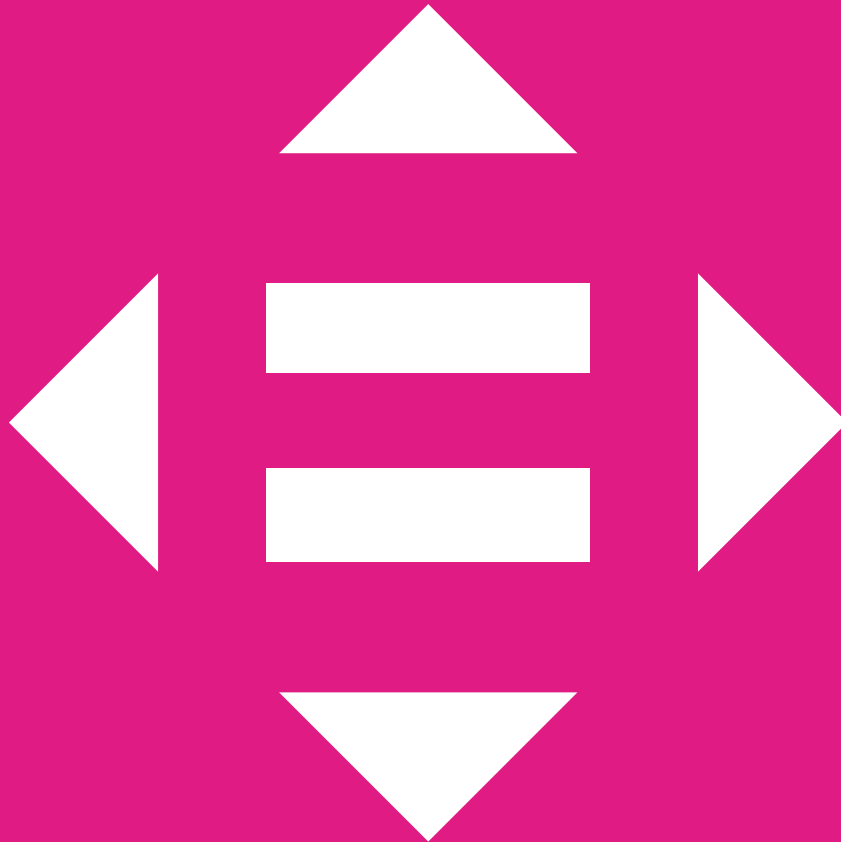

- Ensure access to the internet for all and develop physical structures and facilities, such as roads, buildings, energy supplies, to support economic development and human well-being
- Support small business with money and training
- Ensure companies do not harm the environment

10 REDUCED
INEQUALITIES

Kaddy Mansaray, Chair of the Funkia Market Women's Association providing COVID prevention information at the market with a poster and megaphone. Freetown, Sierra Leone.
Photo credit: Jonathan Bundu, Trócaire.

10 REDUCED INEQUALITIES

Summary of Targets

- Ensure laws to protect people who experience vulnerability or are disadvantaged
- Listen to people's needs and provide support for people living in poverty
- Ensure people who leave one country to live in another are protected by laws
- Promote an inclusive society

11 SUSTAINABLE CITIES
AND COMMUNITIES

Fifty Syrian families are now living in a half-built
apartment block close to the Syria border in Lebanon.

Photo credit: Eoghan Rice, Trócaire.

trocaire
TOGETHER FOR A JUST WORLD

11 SUSTAINABLE CITIES AND COMMUNITIES

Summary of Targets

- Ensure everyone has a safe place to live
- Help communities tackle climate change
- Provide safe public transport that does not harm the environment
- Protect the world's cultural and natural heritage

12 RESPONSIBLE
CONSUMPTION
AND PRODUCTION

The foreman for a mining company holds up
a fragment of cobalt in Mpaza, Rwanda.

Photo credit: Alan Whelan, Trócaire.

Trócaire
TOGETHER FOR A JUST WORLD

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

Summary of Targets

- Reduce, reuse and recycle and halve the amount of global food waste
- Ensure large company practices respect the environment
- Ensure people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature

13 CLIMATE ACTION

Houses destroyed by rising seawater and storms in Honduras.

Trócaire
TOGETHER FOR A JUST WORLD

14 LIFE BELOW WATER

Summary of Targets

- Reduce marine pollution
- Enact laws against illegal fishing and overfishing
- Support small islands and poor countries to protect and manage marine life

15 LIFE
ON LAND

Palm tree plantation covers the top of a mountain near El Progreso in Honduras.

Photo credit: Frank Mc Grath.

Trocaire
TOGETHER FOR A JUST WORLD

15 LIFE ON LAND

Summary of Targets

- Protect ecosystems such as deserts and forests
- Plant more trees
- Protect endangered species

16 PEACE AND JUSTICE
STRONG INSTITUTIONS

Catalina Sanchez testifies during the trial of former Guatemalan military dictator Efraín Ríos Montt in May 2013.

Photo credit: Elena Hermosa.

Trocaire
TOGETHER FOR A JUST WORLD

16 PEACE AND JUSTICE STRONG INSTITUTIONS

Summary of Targets

- End violence, abuse, trafficking and torture against adults and children and combat crime and corruption
- Ensure everyone has equal access to justice
- Consult with citizens before creating a law that affects them
- Give all children an identity including birth registration
- Ensure all people have access to information

17 PARTNERSHIPS
FOR THE GOALS

In September 2015, one hundred and ninety-three member states of the United Nations agreed to the Sustainable Development Goals.

Photo credit: United Nations.

trocaille
TOGETHER FOR A JUST WORLD

17 PARTNERSHIPS FOR THE GOALS

Summary of Targets

- Include the goals in national plans to achieve them by 2030
- Work with organisations and people who are experienced in topics related to the goals
