

Prayer of the Faithful

For Trócaire, as it marks its 50th Anniversary:
together with their partners, may they continue to work for a more
just world and bring awareness of global injustice to the people of
the island of Ireland
Lord, hear us

For mercy: that we will come to fully express the compassion and
love of God in how we care for our neighbour, both near and far.
Lord, hear us

For peace: that each of us will do our part to be instruments of
God's peace in our world
Lord, hear us

For the people of the island of Ireland who have generously
supported Trócaire: that they know the impact their patronage has
had on vulnerable individuals, families and communities around
the world.
Lord, hear us

For those who suffer injustice in all its forms: that we have the
courage to stand up and speak for those who have no voice of
their own
Lord, hear us

For our common home, the earth: that individuals and institutions
will respect and care for the beautiful world that God has gifted us.
Lord, hear us

As we mark World Day for Consecrated Life, we thank God for
those religious sisters and brothers who have brought the Gospel
message in word and action to many nations across the globe.
Lord, hear us.
